Dear Sirs,

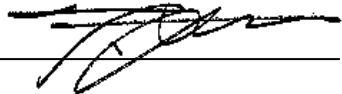

**Thank you very much for your thoughtful expression of sympathy on the very occasion of the strongest earthquake on record we have ever experienced.**

**Fortunately we can say we have suffered no loss at all. However, the earthquake in the northeastern area was so strong that a huge number of people succumbed to it.**

**We are trying our best to help fire departments and their rescue workers through all possible channels for the safety and comfort of victims. Though we have a hard time for a considerable period of time until we return to normal, we hope we will be able to put such hard time behind us as soon as possible.**

**Once again we want to thank you for your kind words and your lasting patronage.**

Best wishes,

**TOYOHICO YONEDA**
