

**NEW**

**THE ALL-IN-ONE STYLE SUPER CAFS**

# 18 UNIT CAFS

ONE-EIGHT

*All you do is mount it on your pickup!  
Get one of the most powerful  
mobile CAFS's ever!*

The newly developed 18 UNIT CAFS is designed as a slide-in type CAFS module that easily mounts on water tenders, mini-trucks, pickup trucks, and other compact vehicles.

The control panel and foam and fuel tanks can be easily hooked up to suit your specifications.

#### Advantages

- Easy and Flexible Hookup
- The 18-CAFS has an independent engine for its pump drive.
- It mounts wherever you need, with no restriction.
- The control panel and fuel and foam tanks hook up flexibly according to user specifications.
